

Summer Activities

Tomorrow's inventors & scientists are today's curious infants and toddlers. STEM teaching starts early.

Join in the fun of the brand new summer programme of educational activities for toddlers and their accompanying adult aimed at breaking down educational stereotypes.

Starting mid-July and running for 6 one and a half hourly sessions.

Dates of Sessions; 13th , 20th & 27th July
3rd, 10th 24th August

Time: 9.30 to 11.00am

Contact NCW for more details.
