3. Research each challenge, explore the science behind it and express your creativity through language. Note that travel to Gozo is encouraged but not necessary.
4. Ask an adult at home to upload the final product on the [STEM to GOZO](#) Facebook page, posting your name and surname, school and year group.
5. The final product for each challenge should be uploaded by the respective deadlines: **26th July, 2nd August and 9th August 2020**.
Late submissions will not be accepted.

6. A panel of professionals will adjudicate each submission. Three students, from each category, with the best overall submissions will receive a family voucher (2 adults and 2 children) for the Gozo Pony Walking Experience.
7. To qualify for the final prize, participants must submit the final product for all three challenges.
8. Winners will be announced by the end of August on the [Science Centre Pembroke - Malta](#) Facebook page. A personalised e-mail will be sent to the winning participants.
9. Awards are co-sponsored by the HSBC Malta Foundation.
