

Dear Parent

At present, as part of an Erasmus Project, an online application by which educational institutions can evaluate their inclusive practices is being developed. You are kindly asked to answer some questions to help us build this tool. **Please note that this electronic site is not finalised and is being tested.**

We would appreciate if you can inform us of any difficulties, you encounter when filling in the questionnaire. You can either send an email on [ruth.farrell@ilearn.edu.mt](mailto:ruth.farrell@ilearn.edu.mt) or call 25981408.

Below are two links. The first links to the application that is being developed. Your answers will help us check on whether this application is working properly. The second link opens a Feedback Form on the questions we have set. Your answers will indicate whether these questions were easy to answer or not. We would appreciate if you access both links and give us your opinion.

### Instructions to answer the questions:

1. Access the survey through this link:

[https://www.sphinxonline.com/surveyserver/s/esen/Stessie\\_en\\_mt/questionnaire.htm](https://www.sphinxonline.com/surveyserver/s/esen/Stessie_en_mt/questionnaire.htm)

2. If you are asked to translate to English from French **DO NOT DO SO** since the application is designed by French technicians.

3. Parents have the option to select the Maltese or the English version.

4. Access this link to give feedback on the questions: <https://forms.office.com/e/JAKEgkrLm0>.

5. You can select to answer in Maltese or English from the top part of the form.

On behalf of the Directorate for Quality and Standards in Education I would like to thank you for your support.

Kind Regards,
