Subject: 'With Reading and Writing I find a Beloved Space' – 'Eye-Catching Wallpaper'

The National Literacy Agency, in collaboration with Spiritual Development in Schools, is organising the fourth session of animated reading, creative writing and reflection in a new programme entitled 'With Reading and Writing I find a Beloved Space' for children 8–10-year-olds and their families/guardians.

These sessions of animated reading in Maltese and English from the book 'Spazju għal Qalbi - Beloved Space' by author Silvana Cardona, are taking place in various open spaces in Malta and Gozo. They are an excellent opportunity for children to practise reading and creative writing through imaginative and reflective activities which help children to pray. Throughout these sessions, the children will be provided with resources in Maltese and English to help them express themselves.

The fourth story 'Eye-Catching Wallpaper' will be organised on Friday, 19th January 2024 at Aġenzija Żgħażaġħ, St. Joseph High Road, Santa Venera, SVR1013.
