Subject: Training about Emotional Literacy and Conflict Resolution Skills

Date: 12 February 2024

---

The PSCD department is once again collaborating with the 'Relationships are Forever Foundation' (RAFF) to offer training on emotional literacy and conflict resolution skills.

The 'Friendship Cards' tool was developed to create a context where children and adolescents feel safe to express their emotions, understand those of others and to develop skills that help them respond to conflicts in a constructive way.

This training course is open to PSCD, Nurture, Guidance Teachers, as well as LSEs and other professionals who work with children and young people. Parents/or caregivers can also be invited to attend.

The course is being sponsored by the Ministry of Education, Sport, Youth, Research and Innovation and can be used for fast progression from one scale to the next.

Those interested in attending one of the course can apply on <https://happylife.org.mt/friendship-cards-course/> or visit the website <https://happylife.org.mt/> for further information.

Thank you for your attention.
